

Sudden Express

Registration 2: 121966

Courtesy of Wildpoint Whitetails

Sudden Express may be one of the prettiest yearlings ever. He also needs no introduction. This year we purchased the only 3 straws sold in La which would give us his first and only fawns of 2014. With very limited sales nationwide and no other sales statewide these fawn will be some to keep an eye on. This year we will bred 6 does total.
